Delta Plus Group confirms its eligibility for PEP-SME

Delta Plus Group, a major actor in the market of Personal Protective Equipment (PPE), confirms its eligibility for the PEP-SME system.

As with last year, Delta Plus Group meets all the eligibility criteria of the PEP-SME system as indicated in the decree of application of 4 March 2014.

The shares of European companies with fewer than 5,000 employees and the annual turnover of which is lower than 1,500 million Euro or with a total balance-sheet lower than 2,000 million Euro are eligible for PEP-SME.

As a result, the shares of Delta Plus Group continue to be able to be integrated into the PEP-SME accounts, which receive the same fiscal benefits as the Personal Equity Plan (PEP).
