

SALE OF MARSEILLE WORKSTORE DELTA PLUS GROUP COMPLETES ITS WITHDRAWAL FROM DISTRIBUTION ACTIVITY

Delta Plus Group, a major player in the personal protective equipment (PPE) market, today announced the 100% sale of its Marseille Workstore to the company Bienfay Sud Est, specialising in the distribution of work clothes.

This allows Delta Plus Group to finalise its withdrawal from PPE distribution in order to focus exclusively on its core business of designing, manufacturing and marketing PPE.

The sale of the Marseille Workstore is the last step in a process that started several years ago, during which Delta Plus Group has gradually sold ten Workstore distribution platforms, all in France.

The Marseille Workstore, the last distribution business owned by Delta Plus Group, achieved a turnover of around 2 million Euro in 2013.

Delta Plus Group confirms, with the sale of the Marseille Workstore, its goal of refocusing on its core business.
