

## The Delta Plus Group is eligible for the PEA-SME device

The Delta Plus Group, a major player in the Personal Protective Equipment (PPE) market, announces its eligibility for the PEA-PME device.

The PEA-PME, of which the implementing decree was published in the Official Journal of March 4, 2014, enjoys the same tax benefits as the Plan Epargne en Actions (PEA).

The shares of European companies who have under 5,000 employees and whose annual turnover is less than 1,500 million Euro or whose total balance is less than 2,000 million Euro are eligible for the PEA-PME.

The Delta Plus Group meets all the eligibility criteria of the new PEA-SME device.
