

## **Delta Plus Group obtained the renewal of the qualification of "Innovative company" for the FCPI (Common Fund for Investment in Innovation)**

The Delta Plus Group, a major player in the market for personal protective equipment (PPE), received on August 6, 2015 on behalf of Bpifrance Financement the renewal their "innovative company" qualification for the FCPI (Common Fund for Investment in Innovation).

The Group had already obtained this qualification on 10 October 2012 for the period until October 9, 2015.

This qualification confirms the Delta Plus Group's eligibility for investment by the FCIC for a further period of three years.

The recognition of this innovativeness is definitively made vis-à-vis any FCPI making an investment in Delta Plus Group capital, within a period of 3 years from August 6, 2015.
